

Seismic Bracket Kit

Seismic Bracket Kit

Accessories for Safety Cabinets - Accessories for Safety Cabinets

Seismic Bracket Kit

Seismic Bracket Kit provides increased stability—ideal for earthquake or hurricane prone areas. One kit secures any safety cabinet to a wall or floor. Because there are no holes created, the fire protection properties of the cabinet remain intact.

- Provides increased stability—ideal for earthquake or hurricane prone areas
- One kit secures any safety cabinet to a wall or floor
- No holes are created so the fire protection properties of the cabinet remain intact and the cabinet maintains FM approval
